His Majesty Sultan Qaboos bin Said
Academic Programs
in Private Higher Education Institutions
2012-2013

Sultanate of Oman
Ministry of Higher Education
P.O. Box 1079, Postal Code 111
Seeb- Sultanate of Oman

www.mohe.gov.om
Higher education has given ample proof of its viability over the centuries and of its ability to change and to induce change and progress in society. Owing to the scope and pace of change, society has become increasingly knowledge-based so that higher learning and research now act as essential components of cultural, socio-economic and environmentally sustainable development of individuals, communities and nations.

The Private Higher Education Sector in Oman is entering a wide range of development by having (26) private educational institutions present various specializations in programs like: Management, Arts, Medicine, Engineering, IT, which are presented by academic affiliation and in cooperation with appointed higher educational institutes from all over the world.

The department aims to facilitate the searching process for students and their parents detailing the available programs and specializations in the private higher education institutions. As well, this guide highlights some important information which will improve the searching process as never before.

In this respect, the Directorate General of Private Universities and Colleges in the Ministry of Higher Education represented by the Department of Programs Supervision would like to offer this guide for all students seeking to pursue their higher education in Oman. We wish to extend deep gratitude and appreciation to all the hard working hands for their utmost efforts contributed in issuing this publication.

Academic Affiliation:
RWTH Aachen University, Germany

Medium of Instruction:
English Language

Admission Requirements:
GED with grade (D) in Pure Mathematics:
- In Chemistry or Physics grade (D)
- In English Language grade (C)
- In all other subjects grade (D)

B.Sc. in Applied Information Technology:
- GED with grade (C) in Pure Mathematics.
- In English grade (C).
- In all other subjects grade (D).

B.Sc. in Sustainable Tourism and Regional Development:
- In Applied Mathematics GED with grade (C)
- In Pure Mathematics grade (D).
- In English Language grade (C).
- In all other subjects grade (D).

Urban Planning and Architectural Design:
- GED with grade (C) in Applied Mathematics
- Pure Mathematics grade (C).
- In English Language grade (C).
- In all other subjects grade (D).

B.Eng. in Mechanical Engineering:
- GED with grade (C) in Pure Mathematics (D)
- In Chemistry, grade (D)
- In Physics grade (C)

B.Eng. in Process Engineering:
- In Pure Mathematics, grade (D)
- GED with grade (C)
- In English, grade (C)

Programs and Affiliation Awarded by the Institution:
- B.Sc. in Applied Geosciences.
- B.Sc. in Applied Information Technology.
- B.Sc. in Sustainable Tourism and Regional Development.
- B.Sc. in Urban Planning and Architectural Design.
- B.Eng. in Mechanical Engineering.
- B.Eng. in Process Engineering.
- M.Sc. in Petroleum Geoscience.
- M.Sc. in Integrated Urban Planning.
- B.Eng. in Environmental Engineering.

Master of Science in:
- Petroleum Geosciences.
- Integrated Architectural Planning.

*Duration of the program does not include the Foundation Program.

Fees Structure:
- Registration fee of 50 R.O. (non-refundable).
- Intensive English Language Program: 800 R.O. per semester
- Foundation Program 1,600 R.O. per semester
- Bachelor of Science programs:
  - Applied Earth Science: 2,400 R.O. for each semester.
  - Applied Information Technology: 2,450 R.O. for each semester
  - Urban Planning and Architectural Design and Sustainable Tourism and Regional Development: 2,250 R.O. for each semester
- Bachelor of Engineering programs:
  - Mechanical Engineering and Process Engineering: 2,450 R.O. for each semester
- Master of Science programs in:
  - Architectural Planning and Integrated Petroleum Geosciences: 1,900 R.O. semester
Start of operation: October 2007

- Wisconsin University-America and all 13 Branches
- Aberyswith University-Britain
- Robert Gordon University -Britain
- Robert Gordon University -Britain
- University of Sunderland
- The Institute of Environmental and Process Engineering UMTEC, of University of Applied
- Sciences at Rapperswil HSR, Switzerland.
- La Trobe University
- University of Castle- Germany
- University of Putra Malaysia- UPM

Medium of Instruction:
**English and Arabic Language**

**Admission Requirements:**
- Certificate General Education Diploma or its equivalent
- Access to the rate of (c) at least in the material studied by the student.
- For educational disciplines: Get on the rate of at least 79% + B in the subject of specialization.
- Pass a interview and examination capacity in some specialties
- Get 500 points in TOEFL or undergo intensive program in English at the university.

**College of Engineering:**
- Success in General Education Diploma with distinction (c)
- Access to (d) in the following materials:
  - English - Arabic - pure mathematics.
- Chemical and Petrochemical all previous articles next to chemistry.
- Required in these disciplines fitness

**Faculty of Economics and Management and Information Systems**

**Diploma and Bachelor of Arts in:**
- Business Administration
- Accounting
- Marketing
- Management of recreational projects

**Diploma and Bachelor of Science in:**
- Information Systems
- International Trade and Finance

**Master of:**
- Information Systems
- Economics
- Business Administration

**College of Pharmacy and Nursing**

**Diploma and Bachelor of Pharmacy at:**
- Pharmacy

**Diploma and Bachelor of Science in:**
- Nursing

*There is no part time at the level of diploma and bachelor
Programs and Affiliation Awarded by the Institution:

**College of Arts & Sciences**

Diploma and Bachelor of Science in:
- Computer Science
- Mathematics
- Statistics
- Physics
- Chemistry
- Biotechnology

Diploma and Bachelor:
- Arabic

Diploma and BA in Foreign Languages
- English Language and Translation
- French Language and Translation
- German Language and Translation

Bachelor of Education in:
- Chemistry
- Neighborhoods
- Physics
- Mathematics
- Computer
- Arabic
- English
- Kindergarten
- Special Education
- Art Education

Master:
- Education in Counseling and Guidance
- Education in Educational Administration
- Arabic Language and Literature

**College of Engineering and Architecture**

Diploma and Bachelor of Engineering in:
- Chemical and petrochemical
- Computer Engineering
- Electrical Engineering
- Civil Engineering
- Environmental Engineering

Diploma and Bachelor in Architecture:
- Teach Architecture

Fees Structure:
- Fee per credit hour for courses: 132 R.O.
- Credit hour - time fee of course the Master’s thesis: 264 R.O.

Specialize Pharmacy:
- Fee per credit hour: 88 R.O.
- Costs per semester: 1,320 R.O.

Specialize Nursing:
- Fee per credit hour: 86 R.O
- Costs per semester: 1,290 R.O.

Housing Fees and Internal Transport:
- Insurance: 100 R.O. (refundable)
- Single room: room capacity by between 70 R.O. to 100 R.O. per month
- Shared room from two to four people (depending on room capacity: 30 R.O. per month
- Transport: 10 R.O. per month

College of Arts & Sciences (scientific disciplines)
- Fee per credit hour: 75 R.O.
- The costs of the semester: 1,125 R.O.

Educational Disciplines and Foreign Languages
- The time-based fees: 74 R.O.
- Costs per semester: 1,110 R.O.

Arabic Language:
- Fee per credit hour: 66 R.O.
- Costs per semester: 990 R.O.

Master in Arabic Language and Literature:
- Fee per credit hour for courses: 83 R.O.
- Approved one-time fee of course the message: 166 R.O.
- Cost of program: 2,988 R.O.

College of Engineering
- Fee per credit hour: 90 R.O.
- Costs per semester: 1,350 R.O.

Faculty of Economics and Management and Information Systems
- Fee per credit hour: 70 R.O.
- Costs per semester: 1,050 R.O.

The costs of the semester are calculated on the basis of (15) credit hours. Systems according to the minimum of the regular student is (12) credit hours for the semester and the upper limit (18) credit hours and therefore calculates the cost accordingly.
Sohar University

Programs and Affiliation Awarded by the institution:

College of Business Administration:
Diploma and Advanced Diploma and Bachelor of:
- Business Administration in Accounting
- Management
- Marketing
- Management Information Systems
- Bachelor of Commerce and Business Law

Faculty of Computer and Information Technology:
Diploma and Advanced Diploma and Bachelor of:
- Computer Science and Multimedia
- Computer Science and Engineering Networks
- Networking and database

Bachelor of:
- Business Administration (Information Technology)

College of Engineering:
Diploma and Bachelor of:
- Electrical Engineering and Computer Engineering
- Mechanical and Electromechanical Engineering
- Chemical Engineering
- Civil Engineering

Faculty of Humanities and Social:
Diploma and Advanced Diploma and Bachelor of:
- Bachelor of Journalism and Media
- Bachelor of English Language Studies
- Bachelor of English Language and Translation

Admission Requirements:
Success in General Education Diploma or Equivalent
- Bachelor of Education to get a certain percentage in the general education diploma and specialization according to the conditions and the Ministry of Higher Education

Conditions of Access to the Program of Law:
- Success in the General Education Diploma with the requirement to obtain a degree of not less than 80% in the Arabic language
- to obtain a certificate of TOEFL (475) degrees or IELTS (5.5) degree

Entry Requirements Engineering Disciplines:
- Success in General Education Diploma with grade (D) Get (D) in the following subjects: English, Pure Mathematics, Chemistry or Physics
Bachelor of Education in:
- Arabic Language and Literature
- English
- Mathematics
- Physical Education
- Music Education

Bachelor of Education Diploma Campaign for the Mediterranean (a program of upgrading qualifications) in the following disciplines:
- Islamic education, Arabic language, Mathematics, Biology

Master's Degree in:
- Business Administration MBA
- Master of education (Leadership)
- Master of Education Curriculum and Instruction
- Master in Educational Management

Master's Degree in:
- Business Administration MBA
- Master of education (Leadership)
- Master of Education Curriculum and Instruction
- Master of Education in Educational Administration
- Master of Education in Curriculum and Teaching Methods.

Fees Structure:
- **Registration**: R.O. 50 (non refundable)
- **Insurance**: R.O. 100 (refundable after graduation)
- Service fees per semester (50) R.O. (for students of physical education only)
- Registration fees (200) Real (for law students only pay a one-time)

Foundation Program fee:
- English for fee level per 756 SR
- Mathematics fees per semester SR 95
- Fees (IC3) per semester SR 120

Academic Programs:
Disciplines and faculties of Business Administration Humanities and Social Sciences, journalism and media, English language and translation studies in the English language:
- Fee per unit of study for the Diploma program: 125 R.O.
- Fee per unit of study for Advanced Diploma and Bachelor: 137.5 R.O. (Specializing in Arabic language and literature, interdisciplinary education in the English language and the Arabic language and mathematics, biology and physical education):
  - Fee per module: 130 R.O.
  - Fees for services specialty of Physical Education: 50 R.O. quarterly (Specializing in Music Education)
  - Fee per module: 160 R.O.

Program of upgrading the qualifications:
- Fees per Unit: 130 R.O.
- Fees program Master of Business Administration: 7,200 R.O.

Faculty of Computer and Information Technology:
- Fee per unit of study for the diploma program: 125 R.O.
- Fee per unit of study for Advanced Diploma, Bachelor’s: 150 R.O.

College of Engineering:
- Fee per unit of study for the diploma program: 131.25 R.O.
- Fee per unit of study for Advanced Diploma and Bachelor: 175.5 R.O.

Housing: for the Academic Year:
- 825 R.O. single (regular specifications)
- 1,000 R.O.Single (specifications)
- 450 R.O. binary (normal specification)
- 525 R.O. binary (specifications)
- 350 R.O. Three

Transportation:
- 150 R.O. for the academic year
Dhofar University

Start of operation: September 2004-2005

American University of Beirut (AUB)

Medium of Instruction:
English & Arabic Language

Admission Requirements:
Accept students who meet the following conditions:
- Access to General Education Diploma or equivalent.
- Pass the placement tests in English, Mathematics, Computer or equivalent

Programs and Affiliation Awarded by the Institution:

College of Arts and Applied Science
Diploma and Bachelor programs in:
- Computer Science
- English
- Mathematics
- Social Work

Bachelor of Arts programs in:
- Translation
- English

Bachelor of Education programs in:
- Mathematics
- English
- Information Technology
- Physical Education

Bachelor of Science programs in:
- Mathematics
- Computer Science

Faculty of Commerce and Business Administration

Diploma and Bachelor of Business Administration in:
- Management
- Marketing
- The Financial
- Accounting
- Management Information Systems
- Insurance

College of Engineering:
Diploma and Bachelor programs in:
- Electrical and Computer Engineering (Diploma only)
- Interior Architecture
- Graphic Designing
- Chemical Engineering
- Mechanical Engineering
- Electrical Engineering and Electronics
- Computer and Communications Engineering (BA only)
- Mechatronics Engineering

Master’s programs:
- Master of Education in Educational Administration
- Master of Education in Curriculum and Instruction Teaching English Language
- Master of Management

Fees Structure:
- 900 R.O. each chapter in the Foundation Program.
- 70 R.O. hour of study in each chapter of the morning programs.
- 90 R.O. hour of study in each chapter of the evening programs provided to public sector employees and private sectors.
- 125 R.O. hour courses in each semester for master’s programs in management, curriculum and methods of English language teaching and educational administration.
- First-year students who have not finished the mathematics and information technology in the foundation program are paying the equivalent of 3 credit hours for each subject.

Academic Affiliation:
• Oklahoma State University in the United States of America.
• Texas Tech University

Medium of Instruction:
English Language

Admission Requirements:
• The student must have completed the general education diploma or equivalent successfully in all subjects.
• The student must have studied the subjects that qualify for admission to colleges / disciplines, and that can be customized as follows:

Students of the Faculty of Commerce and Humanities: The Student successfully completed applied mathematics or pure mathematics.

Faculty of Engineering Students: The student successfully completed pure mathematics, physics and chemistry.

Students of the Faculty of Applied Science: The student successfully completed pure mathematics, biology and physics or chemistry.

Fees Structure:
• Acceptance (10) R.O.
• Registration (100) R.O.
• Insurance (100) R.O. (refundable)
• Foundation Program (980) R.O. per semester.
• (80) of R.O.-hour approved for specialties Faculty of Commerce and Humanities and the Faculty of Applied Science, Bachelor and the number of hours (123) hours and Diploma (66) hours.
• (90) of R.O.-hour accredited in the disciplines of the Faculty of Engineering, and Bachelor's about the number of hours (137) hours and Diploma (77) hours

Programs and affiliation awarded by the institution:

Faculty of Commerce and Humanities
• Business Administration
• Finance and Accounting
• Management Information Systems

Faculty of Engineering
• Environmental Engineering
• Civil engineering and construction
• Electronic and Communications Engineering

Faculty of Applied Sciences
• Food Science and Human Nutrition

Start of operation: 2010-2011

Academic Affiliation:
• Vienna University of Technology, Austria
• IMC University of Applied Sciences (Krems)
• Campus University of Vienna Austria
• University of Bradford, United Kingdom

Medium of Instruction:
English Language

Admission Requirements:
• General Education Diploma Education in all disciplines
• College of Engineering (civil, architectural, mechanical) be at least grade D in English, mathematics, physics and pure chemistry.
• (IT Engineering) at least a grade D in English, Pure Mathematics and Physics
• Faculty of Commerce: be at least grade D in Applied Mathematics or Pure Mathematics and English
• Faculty of Health Sciences:
  • Nursing specialty not less than grade D in English, and pure mathematics, chemistry and biology
  • Specialty optics: not less than grade D in English, physics, biology, mathematics, pure
  • Specialty pharmacy: be at least grade D in English, chemistry, biology and physics

Fees Structure:
• Foundation Program:
  • 2,000 R.O. yearly
• College of Engineering:
  • 2,500 R.O. yearly
• Faculty of Health Sciences:
  • 3,000 R.O. yearly
• Faculty of Commerce:
  • 2000 R.O. yearly

Housing Fees:
• Triple Room: 55 R.O. Per Month
• Chamber Quartet: 50 R.O. Per Month

Transportation:
• 20 R.O. Per Month

Start of operation: 2010

Programs and Affiliation Awarded by the Institution:

College of Engineering:
• Civil Engineering
• Architecture
• Mechanical Engineering
• Engineering Information Technology

Faculty of Commerce:
• Export Administration
• Business Administration and E-Business

Faculty of Health Sciences:
• Nursing
• Science Optics
• Pharmacy
Admission Requirements:

- General Education Diploma Education in all disciplines

College of Engineering (civil, architectural, mechanical):

- be at least grade D in English, mathematics, physics and pure chemistry.
- (IT Engineering) at least a grade D in English, Pure Mathematics and Physics

Faculty of Commerce:

- be at least grade D in Applied Mathematics or Pure Mathematics and English

Faculty of Health Sciences:

- Nursing specialty not less than grade D in English, and pure mathematics, chemistry and biology
- Specialty optics: not less than grade D in English, physics, biology, mathematics, pure
- Specialty pharmacy: be at least grade D in English, chemistry, biology and physics

Fees Structure:

- Foundation Program: 2,000 R.O. yearly
- College of Engineering: 2,500 R.O. yearly
- Faculty of Health Sciences: 3,000 R.O. yearly
- Faculty of Commerce: 2000 R.O. yearly

Diploma and Bachelor of Technology Studies (Hons) in:
- Computer and Internet applications.
- Computer Networks.

Diploma and Bachelor of English Language Studies (Hons) in:
- English
- Foundation Programme.

Start of operation: 1995-1996

Majan College

Admission Requirements:
- Certificate of General Education or equivalent

Programs and Affiliation Awarded by the Institution:
Diploma (two years) and Bachelor of Business Administration (3 years)
Honours in:
- Accounting
- Marketing
- Human Resource Management
- Travel and tourism
- Information Systems
- Small Projects Management
- General administration

Diploma and BA (Hons) in:
- Accounting
- E-Commerce
- Marketing
- Financial

Diploma and Bachelor of Information Technology Studies (Hons) in:
- Computer and Internet applications.
- Computer Networks.

Diploma and Bachelor of English Language Studies (Hons) in:
- English
- Foundation Programme.

Masters Programmes:
- Masters in Business Administration (MBA) from the University of Bedfordshire
- Program Computer Science from the University of Bedfordshire
- Organizational Leadership program at the University of Glasgow.
- M. Litt - English language studies

*One study does not include the Foundation program.
*There are Part-time Study Option available

Fees Structure:
Insurance: 100 R.O. (refundable)
Join the Founding of the Program: 100 R.O
Registration for the Diploma Program:
125 R.O. per level / per year
Registration for the Program last year (BSc Honours): 120 R.O. per level / per year
Foundation Programme: Full-time: 1,920 R.O. Tuition fees (960 R.O. per semester)
Part-time: 1,600 R.O. (800 R.O. per semester)

Academic Programmes:
Diploma: 2,000 R.O. for each year
(Two years or four semesters of full time)
Diploma: 1,500 R.O. for every six
(Two and a half or five semesters of part time)

BA Honours: 2,500 R.O
There is no difference in tuition fees between full-time & part-time diploma program or undergraduate programs with honors.

Master of Business Administration (MBA): 5,750 R.O. for a period of two years.

Master of Computer Science: 6,000 R.O. for a period of two years.

Masters of Organisational Leadership: 6,229 R.O. for a period of two years.

M. Litt - English Language Studies: 6,454 R.O. for a period of two years.

Dorm (per month): 480 R.O. per year
Caledonian College of Engineering

Programs and Affiliation Awarded by the Institution:

Bachelor of Science Honours in the Construction Environment:
- Structural Engineering
- Civil Engineering
- Measurement and engineering costs

Honours Bachelor of Science in Engineering:
- Computer Engineering
- Electrical Power Engineering
- Communications Engineering
- Mechanical computer-aided engineering
- Mechatronics
- Caledonian College of Engineering
- University Vellore Institute of Technology (VIT) (India)
- Chemical Engineering
- University Diploma (two years) in the (design engineering)

Master of Science (University of Glasgow Caledonian) in:
- Maintenance Management (two years and a half)
- Information Systems Management (two years)

Master in process Engineering from Vellore Institute of Technology (VIT) (two years)

Fees Structure:
Foundation Studies Program:
- 2650 R.O.
- 150 R.O. supplementary fees

Program of Bachelor of Science Honours in Engineering:
- 3,050 R.O. each level
- 150 R.O. supplementary fees

Fees Structure for Master Program:
- Menintenance Management 6,000 R.O.
- Management Information System 6,975 R.O.
- Process Engineering 5,000 R.O.

Admission Requirements:
Success in general education diploma with a minimum of (c) (65%) in the following articles:
- Physics or Chemistry
- Pure Mathematics or Applied
- The student charged shall the minimum requirements of the program as stated qualification for admission to the Foundation program
- The student is eligible to join the Foundation program and wish to study engineering directly by the first pass the entrance test engineering.
- All programs require the presence of chemistry or physics majors with the exception mentioned below requires the presence of Chemistry to join them:
  A) Engineering and maintenance treatment.
  B) Chemical Engineering.
